HUNTING, FISHING, TRAPPING, AND HORSEBACK RIDING REGULATION

Summary. This change outlines new check station requirements and where to find annual updates to hunting seasons and bag limits. This change also replaces the requirement for harvest of whitetail bucks in the trophy management area. This regulation establishes responsibilities and policies for hunting, fishing, trapping, and horseback riding on the Fort Gordon military installation.

Suggested improvements. The proponent of this regulation is the Directorate of Public Works (DPW). Users are invited to send comments and suggested improvements on Department of the Army (DA) Form 2028 (Recommended Changes to Publications and Blank Forms) to Commander, USASC&FG, ATTN: ATZH-DI, Fort Gordon, Georgia 30905 and/or submit DA Form 1045 (Army Ideas for Excellence Program (AIEP) Proposal) to the installation AIEP coordinator.

Availability. This publication is only available on the USASC&FG publications website at <http://www.gordon.army.mil/doim/>, under "Fort Gordon Forms and Publications".

USASCoE&FG Regulation 420-5, 30 August 2010, is changed as follows:

Page 5, Paragraph 5, Restrictions is changed as follows:

l. The cutting of live trees for construction of blinds, or for any reason, is prohibited

Page 6, Paragraph 5, Restrictions is changed as follows:

g. No person under 16 years of age will be allowed to hunt without being accompanied by a fully licensed sponsor over the age of 18. Persons 16 years of age and older, with the proper license, will be allowed to hunt, fish and/or ride horses without being accompanied by an adult. Bona fide guests (participating and non-participating) must be accompanied by their sponsor when hunting, fishing, or horseback riding and may hunt, fish, or ride horses only in the same training area or lake/pond as their accompanying sponsor.

Page 6, Paragraph 6, Personnel authorized to hunt, fish, and horseback ride on Fort Gordon military installation is changed as follows:

e. Personnel authorized to hunt, fish, and horseback ride on the Fort Gordon military installation are limited to sponsoring two bona fide guests (participating or non-participating) at any one time. The sponsor must be fully licensed to hunt, fish, and/or horseback ride on the installation. Licensed sponsors must sign in all guests (participating and non-participating) by completing all appropriate blocks of the FG form 9166. All non-participating guests must be in the immediate presence (within

150 feet) of their licensed sponsor and comply with other appropriate restrictions located in Paragraph 5 g. of this regulation.

Page 8, Paragraph 8, Hunting areas, legal hunting hours, and day's game may be taken is changed as follows:

g. Sportsman wishing to enter the small arms impact area (SAIA) must attend a safety briefing and receive a safety card to be carried on the individual at all times while hunting in the SAIA. Briefings will be conducted by the game wardens at the Game Warden Office. The SAIA has been designated as a trophy deer management area. Bucks harvested must have an inside spread of at least 15 inches. Antlerless deer may be harvested according to the Fort Gordon Annual Hunting Season Update published by the Natural Resources Branch.

h. Sportsman hunting big game (deer or turkey) may only hunt big game and are prohibited from hunting small game. Coyotes and feral hogs may be taken during big game, small game and any special seasons. See Fort Gordon Annual Hunting Season Update for information.

Page 11, Paragraph 11, Use of privately owned vehicles (POVs) when hunting or fishing is changed as follows:

Subparagraph 11 g. is deleted and no longer a valid requirement.

~~— g. Personnel using a POV for transportation to hunting and fishing areas are required to register their vehicle IAW the requirements of USASC&FG Regulation 210-3 before access into hunting and/or fishing areas is permitted.~~

Page 11, Paragraph 12, Installation hunting regulation is changed as follows:

l. Construction of permanent blinds in any food plot area is prohibited. The cutting of live trees to construct blinds, or for any reason, is prohibited. Blinds, if built, will be constructed of biodegradable materials (examples are cotton string, jute, hemp) in locations that do not interfere with the maintenance of food plots. All blinds constructed will be available on a first-come-first-served basis.

m. All sportsmen who harvest big game (deer or turkey) will take their harvest to the control access log station for weigh in and must comply with all check station requirements(IAW Annual Hunting Season Update) and complete a FG Form 9168 (Hunting Control Register), figure 2. The FG Form 9168 will be placed in the collection box at the access log station.

Page 13, Paragraph 14, Installation hunting seasons is superseded as follows:

14. Installation hunting seasons. Installation hunting seasons, type of hunting permitted, bag limits, dates of open seasons, check station requirements, etc. will be updated on the Fort Gordon Annual Hunting Season Update and posted at all sign-in boards annually by the Natural Resources Branch of DPW.

Page 22 Appendix C Violations or Offenses is changed as follows:

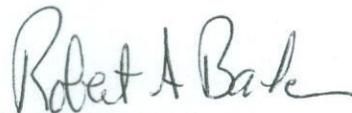

Add violation or offense 28 and 29 to Appendix C.

	<u>1st Offense</u>	<u>2nd Offense</u>
28. Failure to comply with check station requirements	suspended until compliance or 1 month	3 months
29. Failure to comply with SAIA trophy guidelines	lose SAIA privileges for 1 year	REVOKE SAIA privileges
