Metro-North Railroad reserves the right to remove this posting prior to the Application Deadline.

OPENING

MTA Metro-North Railroad is a dynamic organization, operating out of the jewel of New York City, Grand Central Terminal. We provide service to over 82 million customers annually, traveling in and out of New York and Connecticut. A subsidiary of the Metropolitan Transportation Authority, Metro-North Railroad is the busiest commuter railroad in the nation. MTA Metro-North Railroad strives to provide a safe commute, great service to its customers and rewarding opportunities to its employees.

POSITION OBJECTIVE

This position is responsible for performing routine and emergency field inspections on Metro-North's territories. Position is also responsible for the proper documentation of the inspection results, per FRA mandates, New York State bridge inspection requirements and laws. Assure that Metro-North's bridges and tunnels are safe for the daily passage of trains and the general public.

RESPONSIBILITIES

Perform annual field inspections as per Metro-North's inspection program for structures in GCT trainshed and territory south of MO Yard. Additional locations might be assigned based on annual program needs.

Assist Senior Engineer and GCT Structural Engineer in managing inventory. Prepare and provide QA/QC on inspection reports. Oversee Assistant Facilities Technicians.

Inspect conditions flagged by NYSDOT or MNR, as well as fracture critical elements and fatigue prone elements.

Perform emergency inspections.

REQUIRED QUALIFICATIONS

Experience with railway maintenance and operation.

Working knowledge of MTA MNR Operating Rules and Regulations.

Experience performing welding inspections.

Experience with inspection of other structure types such as retaining wall, drainage structures, building and utility towers.

Experience in traffic control at job sites.

Completion of NHI Bridge Inspection Seminar or similar bridge inspection courses.

Experience in civil/structural design or construction.

REQUIRED EDUCATION/EXPERIENCE

Bachelor of Science degree in Civil Engineering or related field.

Minimum of five (5) years of related bridge experience.

NY or CT Professional Engineering License; or NICET III Certificate – Civil Engineering Technology; or NICET IV Certificate – Bridge Safety Inspection; or able to obtain PE or NICET III/IV official certification within 6 months from award and/or date of hire.

Attend within one year from date of award and/or hire, Railroad Bridge Inspection and Scour Inspection Class as per Metro-North Bridge Inspection Manual.

OTHER INFORMATION

This is a safety sensitive position and subject to toxicological testing.

SELECTION CRITERIA

To be selected for a position, an applicant must: (1) meet the minimum requirements in the job posting, (2) pass a written examination (if applicable), (3) satisfy a background investigation (which includes credit, if applicable), and (4) pass an oral interview, during which the interviewers will further evaluate the applicant's qualifications for the position. Because the selection process is competitive, not all qualified applicants are granted an interview. Metro-North may also require the applicant to undergo a physical ability test, and, if the Company extends a conditional offer, may require him or her to undergo a medical examination, which may include toxicological testing.

For applicants who are current employees, you must be in active service and have worked in your present position for at least one (1) year to be eligible to apply for a posted position, and have completed the agreed upon formal training commitment, plus on-the-job training, if applicable (for example: Signal Trainee, Foreman-In-Training, etc.) in order to be eligible to transfer. If you are transferred, you may be required to forfeit your seniority in your present occupation. In addition, Metro-North employees are subjected to an internal investigation, which includes an evaluation of their safety and discipline records and their performance assessments.

As an employee of Metro-North Railroad you may be required to complete a New York State financial disclosure statement, if you earn more than \$91,821.00 or if you hold a position designated as a policy maker.

We offer a competitive salary and a comprehensive benefits package. If interested, please apply online at:
