

Mid All Source Intelligence Analyst

Location: Bolling AFB, Washington

Responsibilities:

- Shall be responsible for all-source intelligence analysis supporting the Yemen Branch within the MARC.
- Will focus on political-military issues related to security and military conditions in Yemen to include Yemeni counterterrorism forces; tribal groups and tribal militias; the Huthi movement; civilian and military leadership; military capabilities; insurgent and opposition groups; defense economic; and counterterrorism policies and objectives.
- Will examine the impact of militant organizations on regional stability.
- Will be responsible for organizing and analyzing information derived from multiple sources to prepare intelligence assessments and briefings for the supported customer.
- This will be accomplished by integrating data from all available sources and fusing it into actionable intelligence assessments that will inform the war-fighter, senior DIA and greater DoD Enterprise leadership, and other national-level customers.

Requirements:

- U.S. Citizen
- 4-7 years of intelligence, Military or Law Enforcement experience
- Bachelor's degree is required
- Top Secret clearance required. Candidate required to take Poly upon start date
