

PARTNERS IN Veterans' Futures

We support our nation's veterans in both our business and our communities.

Veterans Support Initiatives

- Relationships with government and non-profit agencies create a win-win: agencies place assisted veterans into CACI jobs where they continue to contribute to America's missions, and CACI gains veterans' experience
- Dedicated Veteran Support and Recruiting Office, with military veteran advocacy available to transition military veterans and military spouses into civilian careers
- CACI shares the commitment of our nation's military veterans to acting with ethics and integrity — values which define our culture and drive our success
- CACI Cares, CACI's corporate philanthropy and volunteerism program, has supported active-duty servicemen and women, veterans, and their families since 2005, including:
